Date: 10.02.2026

**Advertisement for the post of Project Officer – ISVC Project**

Applications are invited from Indian nationals for the above-mentioned position per the details provided below for AARTI Foundation, IIT Roorkee.

Location: Roorkee, Uttarakhand

Type of Appointment: Full-Time (Initial 3-month probation; renewable up to 1 year).

Duration: Initially, it will be 1 year (renewable based on performance and availability of funds).

Compensation: 40,000/- - 75,000 /- per month.

Company: **AARTI Foundation** (A Section 8 – Not for Profit Company)

**About the Company**

- AARTI Foundation is a company that was incorporated under Section 8 of the Companies Act, 2013.
- AARTI Foundation, the industry accelerator of IIT Roorkee, established in collaboration with ICAT, is committed to driving innovation-led entrepreneurship, accelerating startup growth, deploying impactful technologies, and fostering inclusive development through rural empowerment, women-centric initiatives, and industry-academia collaboration.
- AARTI aims to enable and promote new technology/knowledge/innovation-based start-ups, build a start-up ecosystem by establishing a network between academia, financial institutions, industries and other institutions, provide training and certification services, and offer services to start-ups, such as mentoring, legal, financial, technical services and enhance competencies, capacity building, training to nurture innovation and start-ups, and awareness and executive training programs.
- All the activities related to the company are governed by its own separate Board of Directors.

**Job Purpose:**

The personnel will be responsible for end-to-end on-ground implementation of the Integrated Smart Village Centre (ISVC) project, ensuring delivery of activities and outcomes as per the MoU with the CSR partner. The role involves community engagement, coordination with implementing partners, monitoring progress, documentation, and reporting.

**Duties and Responsibilities:**

- Implement ISVC project activities on-ground as per approved work plan and MoU.
- Coordinate with village institutions, beneficiaries, local administration, and CSR partner representatives.
- Support establishment and operationalization of ISVC facilities and services. **Core Requirements:**

- Graduate in Social Sciences, Rural Development, Management, or related fields with experience of working in a section 8 company.
- 5 + years of on the job experience in field-based project implementation and community mobilisation
- Strong coordination, communication, and stakeholder management skills.
- Ability to work independently in rural/remote locations.
- Good documentation and reporting skills (MS Word, Excel, presentations).
- Working knowledge of community-based projects and grassroots institutions.

- Willingness to travel extensively within project geography.
- Oversee infrastructure development, asset management, and logistical operations across the field and headquarters offices.

Interested candidates may appear for the walk-in interview on 17th February 2026 at 2:00pm in the EV Innovation Lab, Ravindra Lounge, IIT Roorkee
